Quality Policy

Ivor King (Civil Engineering Contractors) Ltd

Ivor King (Civil Engineering Contractors) Ltd is a specialist piling company based at Haunchwood Park Industrial Estate, Galley Common, Nuneaton, CV10 9SP, operating all over the UK.

This Quality Policy is appropriate to the purpose and context of Ivor King (Civil Engineering Contractors) Ltd and supports the strategic direction of the business.

The company operates an Integrated Management System that meets the requirements of:

- ISO 9001:2015
- ISO 14001:2015
- ISO 45001:2018

The company has incorporated industry third party approvals into its management system to ensure compliance in all sectors of its operations.

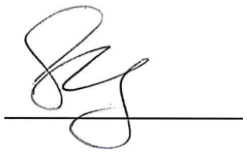

The Directors are committed to the continual improvement of the suitability, adequacy and effectiveness of the Integrated Management System, including the Quality Management System and quality performance.

Simon King as Chief Executive Officer takes overall responsibility for the conduct of the company in regard to the quality system and the delivery of our services and products.

This Policy provides a framework for setting and reviewing quality objectives which support the strategic direction of the business. Quality objectives will be monitored and reviewed to evaluate performance and drive continual improvement.

We are committed to satisfying applicable customer, statutory, regulatory and other relevant requirements and, wherever practicable, exceeding customer expectations.

This Quality Policy will be communicated, understood and applied within the organisation and available to relevant interested parties. This policy will be reviewed periodically to ensure its continuing suitability.

Simon King
CEO
